GENERAL ALLEGATIONS
(Note: Asterisk (*) Under Seal)

A. Case Background:

22. In and around 2007 through January 2012 Plaintiff was informally doing business under the nom de guerre "Ron Iron" providing advertising and web development services to escort, therapeutic and adult-oriented businesses.

23. In December 2008 through May 2012, Plaintiff was employed with Defendant CONSOLIDATED EDISON COMPANY OF NEW YORK, INC. ("CECONY") as a union "Electrical Technician L1-2" until terminated for "Standards of Business Conduct" violations.

24. Plaintiff, at all relevant times, was a customer, user or aggrieved person of financial institution, electronic communication or remote computing service defendants BACKPAGE, SPRINT, T-MOBILE, FACEBOOK, GOOGLE, TWC, RIM, MCU, CAPITAL ONE, CHASE, and non-defendant METROPCS.

25. In or around November 2009 an individual named *J.W. a/k/a "Jeff," who was convicted of promoting prostitution, vindictively forwarded personal information about the Plaintiff to law enforcement. Around this time defendants NYPD, DANY and OSE initiate an investigation into the business activities of "Ron Iron."

26. In or around November 2009 through September 2012 defendants NYPD, DANY and Assistant District Attorney Elizabeth Pederson unlawfully accessed, obtained and intercepted wire, oral and electronic communications and illegally obtained financial records belonging to the Plaintiff. Defendant electronic communication services, remote computing services and financial institutions unlawfully disclosed wire, oral and electronic communications and financial records without the legal authority and notice required under federal law. Plaintiff has not been provided with any court orders, subpoenas, warrants or notices in relation to any of these disclosures.

B. Outrageous Government Conduct:

27. On or around August 13, 2011 Plaintiff meets *E.S.W. a/k/a "Minna" at a dinner party given by *J.M.L. a/k/a "Phebe" in Manhattan. The next day on or around August 14, 2011 Minna is beaten and sexually assaulted by her boyfriend *N.J. a/k/a "Nate," who is subsequently arrested by the NYPD Special Victims Unit.

28. On or around August 17, 2011 during an interrogation Nate, as his alibi, accuses the Plaintiff of pimping and assaulting his girlfriend Minna. District Attorney Cyrus R. Vance, Jr., Assistant District Attorneys David Stuart, John Temple, Greg Weiss and unknown DANY Personnel direct their on-going investigation into Plaintiff's associations with Minna and Phebe.

29. On or around August 17, 2011 through January 12, 2012 District Attorney Cyrus R. Vance, Jr., Assistant District Attorneys David Stuart, John Temple, Greg Weiss, unknown DANY Personnel, Deputy Chief Brian Conroy, Detective Mark Woods, Sgt. Michael Daly, Detective Jessica Sterling, Detective Giancarlo Cavallo and unknown NYPD Personnel induce Minna to work as a confidential informant and "prostitute" to manufacture probable cause for wiretaps, court orders, subpoenas, search warrants and ultimately Plaintiff's arrest. During this same time period, the aforementioned defendants also induced Minna to assist with investigating alleged brothel owner *W.D. a/k/a "Billz", alleged pimp *D.J.U. a/k/a "Jerry", alleged pimp *R.G.G. a/k/a "Giovanni" and others.

30. Around August 17, 2011 through January 10, 2012 defendants NYPD and DANY conduct "sting operations" targeting individuals they believed to be associated with the Plaintiff, through online advertisements posted on Backpage. However these targeted individuals decline to offer the undercover operatives sexual acts in exchange for money. In at least one instance unknown NYPD Personnel, at the direction of Detective Woods, unlawfully search the apartment of an individual named *T.B. a/k/a "Janel" without making an arrest, after she declined to offer sexual acts for money.

31. On or around January 10, 2012 Detective Woods contacts Janel, through advertisements posted on Backpage, and schedules a date with "two girls" for his "birthday" on January 12, 2012 at 6:00pm.

32. On January 11, 2012 Detective Woods, ADA David Stuart, NYPD Personnel and DANY Personnel instruct informant Minna to met with Janel to obtain keys for an apartment, which would ultimately be the site of the scheduled sting operation.

33. On January 12, 2012 defendants NYPD transport Minna to a Manhattan *apartment with keys to prepare for the sting operation. That evening Janel arrives after speaking with the "birthday boy" about keeping his appointment. Around 6:00pm Detective Giancarlo Cavallo arrives pretending to be the "birthday boy." Janel declines to offer Detective Cavallo any sexual acts for money, however at the instruction of law enforcement, Minna offers to "do doggystyle for \$160." Each woman is arrested by Detective Woods and NYPD Personnel after this exchange.

C. Conspiracy to Violate Due Process

34. In or around October 2011 defendants DANY and NYPD direct confidential informant Minna to entice Phebe to contact the Plaintiff in order to facilitate a sting operation. Defendants knowing Minna and Phebe to be minors that misrepresent themselves as adults, sometimes using fake IDs. However Plaintiff declines to do any business with Phebe. When those attempts fail, defendants DANY and NYPD instruct Minna to entice Phebe to work for alleged brothel owner "Billz" and alleged pimp "Jerry."

35. On or around October 27, 2011 Police Officer Greg Smith contacts Phebe through Facebook. Through these Facebook messages recorded by MetroPCS, Officer Smith acknowledges that he is a police officer and friends of her father *R.B.L. a/k/a "Dick." Officer Smith requests nude images of Phebe and any websites where she may have other nude images. Phebe then provides Officer Smith with nude images and websites to find others. Officer Smith sought these images to assist co-defendants DANY and NYPD with violating Plaintiff's constitutional rights.

36. On or around November 3, 2011 defendants NYPD and DANY with the assistance of their informant Minna and co-defendant Greg Smith, arrest Phebe for unknown reasons. From this time through January 2012 the aforementioned defendants induce Phebe to work as a confidential informant, threatening to arrest her boyfriend *T.M. a/k/a "Tim" for statutory rape if she fails to cooperate. She is instructed to contact the Plaintiff in an attempt to facilitate a sting operation, however these efforts are rejected.

D. Fabricated Evidence and Witness Tampering

37. In or around August 2011 through September 2012 defendants NYPD and DANY fabricate evidence and tamper with witnesses in order to unlawfully obtain court orders, subpoenas and search warrants, to intercept wire, oral and electronic communications, and to access stored communications and financial records.

38. Detective Woods, ADA David Stuart, NYPD Personnel and DANY Personnel fabricate and tamper with Backpage advertisements by altering "AdId" identification numbers of those posted by the Plaintiff, with those of ads posted by other individuals, or created by the defendants. Backpage and its Custodian of Records Custodian #1 aided and abetted its co-defendants with this fabrication; by granting them unlimited access to password-protected accounts without the proper legal authority. Within each Backpage account is subscriber information, IP addresses and financial records, including credit card account numbers.

39. ADA David Stuart unlawfully accesses a "Ron Iron" Facebook account and fabricates or alters electronic data to include himself on a "friend's list" to access password-protected and private information, which is inaccessible to the public.

40. Detective Woods, ADA David Stuart, NYPD Personnel and DANY Personnel knowingly use false statements from informant Minna that she was enticed into prostitution, and coerced Janel to give false statements, that she was forced into prostitution; to manufacture probable cause for court orders, subpoenas, warrants and ultimately Plaintiff's arrest.

41. Detective Woods, ADA David Stuart, NYPD Personnel and DANY Personnel use this manufactured evidence to illegally access bank records (i.e., MCU, Capital One, Chase); intercept phone calls and text messages (i.e., T-Mobile, Sprint, MetroPCS); and other electronic communications (i.e., Backpage, Facebook, Google, RIM, TWC).

E. False Arrest and Imprisonment

42. On or around January 24, 2012 defendants General Manager Michael T. Haggerty and Corporate Security Walter Panchyn order the Plaintiff to meet at a CECONY location in Queens County, under the guise of discussing a recent suspension.

43. On January 25, 2012 Plaintiff arrives to this "meeting" around 11:00am and is met by Corporate Security Walter Panchyn, a retired NYPD Officer, then escorted to a back office to be unlawfully detained. Mr. Panchyn locks the Plaintiff in this office and retrieves NYPD officers around 12:30pm. Plaintiff is then handcuffed by Detective Woods and all items are removed from his person. Plaintiff is then "pedigreed" and transferred to the Manhattan North precinct by Sgt. Michael Daly and Detective Jessica Sterling.

44. On January 26, 2012 the Plaintiff is arraigned in New York County Criminal Court before the Hon. Abraham L. Clott. Defendant ADA David Stuart makes materially false statements in support of its bail application; in substance stating "[Plaintiff] has \$50,000 in illegal proceeds and recruited girls from ACS," resulting in Plaintiff being remanded to custody on \$150,000 bail. Plaintiff is also indicted by a Manhattan Grand Jury this same day.

45. From January 26, 2012 through January 29, 2013 the Plaintiff is confined to the custody of the New York City Department of Correction until transferred to federal custody. During this time period, defendants are derelict in prosecuting its case against the Plaintiff.

46. On February 1, 2013 defendants District Attorney Cyrus R. Vance, Jr. and ADA Greg Weiss dismiss all charges, thus terminating the proceeding in Plaintiff's favor.

F. Unlawful Search & Seizure

47. On January 25, 2012 after the Plaintiff is arrested, several items are removed from his person, to wit: two cell phones, electronic media and credit cards. This same day Plaintiff's CECONY office and work computer are searched and seized without a warrant; and his apartment is searched pursuant to a search warrant based on the bogus sting operation, stale evidence, fabricated evidence and tampered witness statements. Despite using a warrant, defendants had no probable cause to search Plaintiff's apartment and did so as a "fishing expedition."

48. On or around February 1, 2012 Plaintiff's cell phones and electronic media are searched by defendants Detective Woods, ADA David Stuart, NYPD Personnel and DANY Personnel pursuant to a search warrant based on the bogus sting operation, fabricated evidence and false statements.

G. Malicious Abuse of Process

49. On January 25, 2012 during an interrogation, Detective Woods informs the Plaintiff that District Attorney Cyrus R. Vance, Jr., DANY Personnel and OSE Personnel are interested in Plaintiff's cooperation regarding the owners of apartment buildings alleged to be involved with illegal activities. Detective Woods indicates that confidential informants Minna and Phebe are minors and threatens federal prosecution if Plaintiff does not cooperate. Upon declining to cooperate, Detective Woods drafts a criminal complaint and Plaintiff is then transferred to central booking.

50. Director Shari C. Hyman, Chief Legal Officer of the Civil Enforcement Unit John Doe #1, Chief Legal Officer of Midtown Enforcement John Doe #2 and OSE Personnel assisted co-defendants NYPD and DANY in various capacities with the investigation of the Plaintiff, to aid in its current and pending nuisance abatement proceedings, under N.Y.C. Administrative Code § 7-707 et seq., against numerous *Manhattan property owners; knowing that unlawful acts would be committed in furtherance of that goal.

51. From February 15, 2012 through May 30, 2012, Plaintiff sent correspondences to employer CECONY, in an effort to seek a lower bail by obtaining proof of current employment. District Attorney Cyrus R. Vance, Jr., ADA David Stuart and DANY Personnel with knowledge of Plaintiff's attempts, deliberately abuse the grand jury process by unlawfully disclosing grand jury evidence to co-defendants CECONY; in violation of N.Y. Crim. Proc. Law § 190.25(4)(a) and N.Y. Penal Law § 215.70, which prohibits the disclosure of grand jury proceedings. As a result of these felonious acts, Plaintiff was terminated by employer CECONY based on this disclosure of grand jury evidence.

H. Malicious Prosecution

52. On January 25, 2012 through February 1, 2013 District Attorney Cyrus R. Vance, Jr., ADA David Stuart, ADA Greg Weiss and DANY Personnel initiated and continued a prosecution against the Plaintiff for two counts of Promoting Prostitution in the Third Degree, N.Y. Penal Law § 230.25(1)&(2), knowing that the underlying sting operation was illegally manufactured, none of the evidence would be admissible at trial and the required "prostitute accomplices," under N.Y. Penal Law § 230.35, were coerced to give false statements.

53. Defendants DANY also knew the bogus sting operation manufactured New York Supreme Court jurisdiction by inducing an underage informant to participate. Without the inducement of the underage informant, the only potential crime to charge was Promoting Prostitution in the Fourth Degree pursuant to N.Y. Penal Law § 230.20, Class-A misdemeanor punishable by a maximum of one year imprisonment.

I. Speedy Trial

54. On February 15, 2012 Plaintiff is arraigned in New York County Supreme Court on Indictment No. 423/2012 before the Hon. Bonnie G. Wittner and further committed to custody, albeit on lower \$25,000 bail.

55. On May 15, 2012 and June 27, 2012 defendants District Attorney Cyrus R. Vance, Jr. and DANY Personnel indicate on the record in open court, they are not ready for trial. On July 31, 2012 they state ready for trial. On September 10, October 9 and November 13, 2012 they state not ready for trial.

56. On December 4, 2012 Plaintiff files a motion for speedy trial release pursuant to N.Y. Crim. Proc. Law § 30.30, due to over ninety (90) days delay charged to the prosecution. Defendants DANY indicate on the record in open court, they are not ready for trial.

57. On December 12, 2012 Plaintiff's motion for speedy trial release is denied after ADA Greg Weiss indicates that the District Attorney is planning to transfer the prosecution to federal jurisdiction, and further indicate they are not ready for trial.

58. On December 20, 2012 and January 24, 2012 defendants DANY indicate on the record in open court, they are not ready for trial and are waiting for the federal government to initiate a prosecution.

59. On February 1, 2013 District Attorney Cyrus R. Vance, Jr. dismisses all charges against the Plaintiff, thus causing over one year of unjustified speedy trial delay and suppression of its iniquities.

J. Right to Privacy

60. In or around November 2009 through September 2012 defendants NYPD and DANY knowingly violate Plaintiff's right to privacy by unlawfully intercepting his wire, oral and electronic communications through Sprint, T-Mobile, TWC and MetroPCS; unlawfully accessing and obtaining subscriber information, text messages, e-mails, instant messages, financial records and other communications through Backpage, Sprint, T-Mobile, MetroPCS, Facebook, Google, TWC, RIM, MCU, Capital One and Chase; and making false representations to obtain motor vehicle records and highly restricted personal information, without the proper legal authority required under the Electronic Communications Privacy Act, Stored Communications Act, Right to Financial Privacy Act and Driver's Privacy Protection Act.

61. In or around November 2009 through September 2012 defendants Backpage, Sprint, T-Mobile, Facebook, Google, TWC, RIM, MCU, Capital One, Chase and their Custodian of Records Custodian #1-10 knowingly violate Plaintiff's right to privacy by unlawfully disclosing personal subscriber information, text messages, e-mails, instant messages, financial records and other communications without the proper legal authority and notice as required under the Electronic Communications Privacy Act, Stored Communications Act and Right to Financial Privacy Act.

62. In or around November 2009 through September 2012 defendants MCU, Capital One, Chase and CECONY knowingly violate Plaintiff's right to privacy by unlawfully disclosing his motor vehicle records and highly restricted personal information to co-defendants NYPD and DANY in violation of the Driver's Privacy Protection Act.

63. In or around June 2013 Plaintiff discovered, from federal discovery disclosures, the defendants unlawful interception, access and disclosure of Plaintiff's personal matters which resulted in unconstitutional invasion of privacy, harassment, false arrest, false imprisonment and emotional distress.

K. New York Law

64. The defendants intentional and grossly negligent acts and omissions collectively caused the Plaintiff to suffer emotional distress from the false arrest, public disclosure of personal matters, searches of the body, home and office, over one year of oppressive confinement on Rikers Island, loss of employment, public scrutiny in the media and loss of consortium.

65. Defendants Backpage committed common law fraud by omitting from their 'Terms of Service' that their online advertisement service is a covert tool for law enforcement, giving them unrestricted access to subscriber information and financial records without any legal authority. Plaintiff reasonably believed that all communications and transactions with the online service backpage.com would be inaccessible to a third-party.

CIVIL LIABILITY

66. Defendant CITY OF NEW YORK is liable for damages due to the customs, policies and decisions adopted by the municipality and implemented by its agents and employees. In particular its municipal agencies NYPD, DANY and OSE adopted a decision, implemented by its agents, to knowingly use underage confidential informants to participate in the investigation of the Plaintiff and at least three other individuals suspected of promoting prostitution; and adopted a decision to harass the Plaintiff by invading his privacy, fabricating evidence, witness tampering, false imprisonment, conspiring, abusing legal process, malicious prosecution, engaging in promoting prostitution pursuant to N.Y. 67. Defendant CITY OF NEW YORK and its policymakers District Attorney CYRUS R. VANCE, JR. of DANY, Deputy Chief BRIAN CONROY of VICE and Director SHARI C. HYMAN of OSE, have created a policy and custom of deliberately implementing unconstitutional sting operations to aid in the enforcement of nuisance abatement proceedings under N.Y.C. Administrative Code § 7-703(a) and state law. These policymakers have also failed to correct its unlawful enforcement strategies after a history of the repeated use of improper and illegal tactics, e.g., Pinter v. City of New York, 448 Fed. Appx. 99 (2d Cir. 2011); Crosby v. City of New York, 269 F.R.D. 267 (S.D.N.Y. June 22, 2010), et al. They adopted a practice of coercing individuals to engage in prostitution to facilitate the investigation of suspected promoters, as detailed in the published memoir of Rebecca Kade: "Call Girl Confidential: An Escort's Secret Life as an Undercover Agent," (c) 2014, ISBN: 978-1-4767-2681-6; pgs. 99-111, 137-138 and 165-172 (describing Ms. Kade being induced to engage in prostitution by the Manhattan District Attorney to investigate a suspected madame).

68. Defendant CONSOLIDATED EDISON COMPANY OF NEW YORK, INC. is liable for damages due to the failure to properly train its employees on matters involving law enforcement and the legalities of participating in warrantless arrests. Defendant is also liable due to the decisions of its policymaker-employee MICHAEL T. HAGGERTY, General Manager of Central Field Services—with the authority to hire and fire—to participate in the warrantless arrest and false imprisonment of the Plaintiff.

69. Defendant remote computing service, electronic communication service and financial institutions BACKPAGE, SPRINT, T-MOBILE, FACEBOOK, GOOGLE, TWC, RIM, MCU, CAPITAL ONE and CHASE are liable for damages due to the failure to properly train its unknown Custodian of Records CUSTODIAN #1-10 on matters involving law enforcement, the legalities of disclosing information to government entities and required legal authority, e.g., court orders, subpoenas, warrants, etc.

70. Defendant-prosecutors CYRUS R. VANCE, JR., DAVID STUART, JOHN TEMPLE, GREG WEISS, ELIZABETH PEDERSON, DANY PERSONNEL and quasi-prosecutors SHARI C. HYMAN, JOHN DOE #1-2 and OSE PERSONNEL are not entitled to prosecutorial immunity and therefore liable, due to their role as investigators, direct participants and otherwised aiders and abettors acting outside the scope of their prosecutorial duties and employment.
